In order to qualify for a refund on any items being returned that are not faulty, all items must be returned unused, in good re-saleable condition, including original, undamaged packaging, with a copy of the invoice.

APS ONLINE reserves the right to refuse refund if the returned goods do not meet the above conditions. We advise you to take out insurance for the return delivery as items not received in re-saleable condition will not be eligible for either replacement or refund. If we do not have a suitable replacement for the faulty item, we will refund the cost of the item.
